-No camping gear will be necessary for this trip because we will be staying in lodges.

Hudson Trail Outfitters is one of Calleva's community partners. A local, family-owned business, HTO promote healthy lifestyles and encourages kids and adults to get outdoors and experience adventure. HTO sells quality equipment for climbers, bikers, hikers, campers and paddlers. Calleva staff & instructors shop at HTO and Calleva collaborates with HTO in many different areas. Be sure to support this great local company!

We are aware of the expense and variety of equipment that is expected. This list is something to mimic, we suggest borrowing from friends and family to cut down the costs, but we would like every camper to be outfitted properly to live comfortably and safely in the backcountry. Calleva also has gear to lend, so if there is something that you cannot get on your own, please give Calleva a call.
